

PORCELAIN CLEANER MILD TUB AND TILE CLEANER

WHATS NEW!:

BESTWAY PORCELAIN CLEANER - is now phosphate free. It is safe on most metals, non fuming and is classified non irritating to skin. The viscosity builder is more effective and the surfactant is more efficient. We feel this is a superior product at an economical price.

DESCRIPTION:

BESTWAY PORCELAIN CLEANER - The safe, easy, economical way to quickly remove corrosion, soap, lime and hard water deposits from: shower tile, bath and kitchen enamel fixtures, and chrome fixtures, drinking fountains, cement, glass, toilet bowl, swimming pools, etc. Because it is so concentrated, BESTWAY PORCELAIN CLEANER is also an excellent bowl and urinal cleaner. Use in its concentrated form for this purpose.

FEATURES AND BENEFITS:

- Descales without discoloring, pitting, degrading or damaging restroom surfaces.
- No grit or abrasives.
- Highly concentrated to provide maximum savings.
- High viscosity to cling to vertical surfaces.
- NOW PHOSPHATE FREE!

APPLICATION:

Excellent for cleaning and polishing chrome and porcelain surfaces. Apply with damp cloth or sponge, then polish with soft cloth. To clean shower tile or fixtures apply with cloth or sponge. Allow sufficient time for thorough chemical penetration, then wipe off or rinse with clear water. To remove hard water stains from windows, wet glass with solution then wipe, scrape or rinse off. BESTWAY PINK POWER is concentrated so it may be diluted with up to 5 parts of water where soil is not too severe.

TYPICAL PROPERTIES:

Appearance:	Medium viscosity, blue liquid
Odor:	Peppermint fragrance
Solubility in water:	Miscible
pH Concentrate:	0

STORAGE RECOMMENDATION:

- Store at temperatures below 110°F and above 40°F.
